A Hungry Burglar.

Burglars were again at their nefarious work in this city on Saturday night. They entered the residence of W. A. Johnson, on Stoner Avenue, through the hall window. Every room in the house was visited and a thorough ransacking made by the visitor. He went through three pocketbooks, but was only rewarded with a 5-franc piece, which Mr. Johnson carried as a pocket piece, and a five-cent piece. He pushed jewelry of every description aside, looked through the silverware in the dining room, but did not take a single piece. Finally he visited the refrigerator and took three pounds of butter and a nice, juicy beefsteak. Mr. Johnson thinks the burglar chloroformed the entire family, as they all slept very late, and he thinks it impossible for a person to make such a search of his house without awakening some one of the four sleepers, who are usually easily awakened. Evidently he was only hungry and wanted a little change for convenience.

Since writing above the gold watch of Miss Bettie Brent Johnson cannot be found and it is supposed the burglar got it.

The same party, no doubt, also visited the residence of Mr. Henry Butler, on Vine, just around the corner from Mr. Johnson's. Mr. Butler heard him and by the time he got down stairs the burglar was gone. The library window was open. Mr. Butler then called at the residence of Mr. C. D. Lucas, on Vine, took a silver knife and cut a slice of cake and ate it. He must have liked it, for he took the whole cake with him, but did not take any of the silverware.

New City Building.

It is rumored that a deal is on between the City of Paris and Mr. J. T. Hinton for the purchase by the city of the old Christian church building on Main street. It is the intention of the city to remodel the old building into a new city building, which is much needed. With a few thousand dollars this old building could be made into a modern building for the city. Offices, council room and city court room up stairs and the fire department in the basement. At present the city hall is a disgrace to the town and we are glad to see the city fathers take some interest in improvements.

They made the run Sunday from Cincinnati to Lexington in 3 hours and 30 minutes, going from Georgetown to Lexington, 12 miles, in 15 minutes. B. Donald, of Cincinnati, was the chauffeur and it was a Winton auto, made at Cleveland, O. The run was made to test the machine for Mr. Hambrick, who had been in Cincinnati to buy one. Kern, 100 acres of land and all her personal property in fee simple, and the remainder of her real estate, which is 230 acres, to her husband during his life; after his death it is to go to the heirs of Fannie Hutchison and Kate Say, deceased. The will makes James L. Kern sole executor without bond.

John F. Coughlin Dead.

John Francis Coughlin, aged 32 years, died Sunday afternoon at the family residence, on corner of Pleasant and Tenth streets, of consumption. "Peacock" as he was familiarly called by his friends, who were many, was very popular and liked by all who came in contact with him. A number of years ago he was a great baseball enthusiast, being a catcher for the Paris Blues, which was one of the best amateur teams in the county. "Peacock" will long be cherished in the memory of those who knew him best. Funeral services at the Catholic church this morning at 9 a. m., conducted by Rev. Father Burke. Pall-bearers: G. T. Bourbon Should Feel Proud.

The success that has crowned the efforts of Mr. D. W. Peed, of this city, in securing fine tobacco for exhibit at the World's Fair should be appreciated by the citizens of Bourbon. He shipped Friday one hoghead of very fine tobacco to be exhibited at St. Louis, which was grown on the farm of Mr. G. W. Redmon, near North Middletown. This will be the only Burley tobacco on exhibition at the Fair. The Worlds Fair commissioners buy this hoghead from him at \$15. In addition to the above he shipped a very fine collection of samples, which he has been selecting for two years, at his own cost. In this lot were the samples which he paid \$226.90 at the Maysville Fair. This is undoubtedly the finest lot of tobacco ever gotten together in this section. Mr. Peed will follow these shipments on the 15th, to place them, as he, with Mr. Frank Sutton, of Louisville, compose the commission of exhibit of tobacco at the Fair.

This will advertise old Bourbon as the leading county of the State and reflects much honor on Mr. Peed as well as the county. It seems to us that this clever and enterprising gentleman should be reimbursed in some way for the time and money he is out in securing these samples to thus advertise our county, as it is a total loss to him.
